PARFEX CSR POLICY – VISION 2030

Founded in 1985 in Grasse, Parfex designs, produces, and markets fragrance compositions for fine perfumery, body care, and home products.

With 40 years of experience, our company relies on the unique expertise of its teams to meet daily challenges with rigor and determination.

Our ambition is to create high-quality fragrances that meet stakeholder expectations in terms of quality, safety, and environmental responsibility, while integrating a Corporate Social Responsibility (CSR) approach.

We are proud to work with prestigious clients and trusted partners, and we strive to increase their satisfaction through the responsiveness of our teams.

A STRATEGIC COMMITMENT, EMPOWERED BY THE CRODA GROUP

As part of the CRODA Group, PARFEX benefits from strategic, operational, and ethical support to achieve its medium- and long-term CSR goals.

We share strong values with the Group that resonate deeply with our company culture:

- Be responsible.
- Work together.
- Be innovative.

Certified ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018, we embed these standards into our Integrated Management System (IMS), which underpins our commitment to quality, safety, occupational health, and environmental stewardship.

MANAGEMENT COMMITMENTS

PARFEX's leadership is firmly committed to:

- Meeting the needs of its clients and stakeholders.
- Continuously improving the performance of its processes, environmental impact, and working conditions.
- Complying with all applicable legal, regulatory, and other requirements.
- Preventing pollution, occupational risks, non-conformities, and accidents.
- Promoting health, safety, quality, and environmental protection.
- Actively engaging all employees in the continuous improvement process.

OUR INTEGRATED GOVERNANCE

We firmly believe that economic performance must go hand in hand with social, environmental, and ethical responsibility. Our CSR policy is designed to strengthen PARFEX's long-term sustainability through a continuous improvement approach.

It builds on our existing Quality, Hygiene, Safety, and Environment (QHSE) policy and is anchored in our Integrated Management System (IMS), enriched by the guidelines of ISO 26000 and aligned with several United Nations Sustainable Development Goals (SDGs).

Our strategy is structured around four strategic pillars and sixteen key challenges:
